## Assam Citizen Centric Service Delivery Project

## Introduction

Although several e-Governance projects have been implemented in the State of Assam with an aim to strengthen the accessibility of government services to the public, the digital service delivery landscape was not in an encouraging state. There were various challenges like multiple platforms for availing the services, absence of stipulated timeline for delivery of services and provisions for appeals, lack of accountability in providing the services to the public, lack of transparency and tracking mechanism for the public after submitting an application. Citizens also had to go through a lot of paperwork and physical verification processes, manual or treasury challan-based payments which used to result in multiple visits to the government offices for availing services. This constrained the citizen from availing the government services.

The Government of Assam recognized the need to strengthen delivery of citizen centric service and therefore, enacted the Assam Right to Public Services Act 2012 to ensure citizens' access to public services in a timely, efficient, and accountable manner. The Act enables the citizens of Assam to get notified of public service within a stipulated timeframe and also enforces responsibilities on govt. officials/ staffs to provide these services in a time-bound manner. A formal Appeal process under the Act has the provision of penalizing designated government officials/ staffs for his/her failure to give the services as sought by the citizens within the stipulated time period. The Act was further amended in 2019.

A successful public service delivery mechanism requires the fulfilment of a set of conditions viz., capacity building, alignment with citizen demand, and full exploitation of the potential of digital technologies. With this aim, the World Bank-financed Assam Citizen Centric Service Delivery Project (ACCSDP) was initiated to enable citizens to access services under the Right to Public Services Act (RTPS) in a timely, efficient, and accountable manner.

The Act was initially adopted in all the districts of Assam excluding the districts under Autonomous Councils as they are special administrative zones with inherent administrative and legislative power. In a significant development, all three Councils in Assam have adopted the RTPS Act in 2018 and subsequent to the adoption of the act, have notified the services specific to their requirement and needs. The Project was envisaged to implement the Act in an efficient manner for the people of Assam.

## About the Project

Assam Citizen Centric Service Delivery Project (ACCSDP) aims to serve the citizens of Assam, especially the poor, through effective implementation of RTPS Act in the State. The Project Development Objective (PDO) is "To improve access in the delivery of selected public services in Assam." The Project adopts an integrated approach to improve access and accountability, addressing both the supply-side and demand-side aspects of service delivery. The Project interventions are as under:

- i. strengthening RTPS implementation.
- ii. support process re-engineering in targeted services;
- iii. establish Public Facilitation Centers to deliver services electronically at the block, circle panchayat levels;
- iv. promote citizen engagement.

## Major Focus Areas Under The Project

1. RTPS Portal
2. Business Process Re-engineering
3. Public Facilitation Centres
4. RTPS Helpline
5. Appeal Management System
6. Grievance Redressal Mechanism
7. Assam State Commission for Right to Public Services

## Summary

The RTPS portal under the Project was formally launched by Smt. Nirmala Sitharaman, Hon'ble Union Finance & Corporate Affairs Minister on 7th October 2021 with 47 services available online in the RTPS Portal & 315 PFCs present throughout the State. Over a period of 18 months and through persistent efforts, currently there are a total of 300 Services in 30 Government Departments/Agencies and 3 Sixth Schedule Autonomous Councils present in the RTPS Portal with features of application, processing, tracking, and delivery of services and rule-based escalation in tandem with the provisions of the Assam Right to Public Service Act, 2012. In order to reach out to the common people dwelling in far-flung areas, presently there are 361 functional Public Facilitation Centers and almost 7,000 CSCs as per the mandate of the project.

A total of over 8.2 million online applications have been received till 1<sup>st</sup> week of April 2023 date for RTPS Services with a disposal percentage of 62.8%. The RTPS Portal is also integrated with other service delivery platforms like EoDB, Centralised Public Grievance Redressal and Monitoring System (CPGRAMS), Vahan and Sarathi (centralized application for vehicle registration and driving licenses), Integrated Land Records Management System, and other departmental platforms. The RTPS Portal is embedded with immersive accountability features which are assisting in the standardization of practices like tagging RTPS application numbers against services for tracking service status and providing a platform for lodging grievances in the Portal itself. Through the Portal, the Project has converged with other reform initiatives like BRAP, e-Office, Sadbhavana, Mission Basundhara, and others. Significant work has been done on process automation as a result of which 49 services were made automated from manual along with 1 composite service, 16 instant services, AADHAAR-enabled instant verification in the RTPS Portal, and enhancements in 52 services. For Ensuring authenticity, QR-coded output certificates/ digitally signed from the ARTPS portal can be downloaded now.

The Project has made considerable efforts in reaching out to diverse communities of Assam by creating an enabling environment for the improvement of services. The social safeguards policy of the project is centered on participation and inclusion initiatives, and dedicated efforts to reach out to tribal people. The Tribal Development Plan (TDP) and Tribal Action Plan were envisaged and implemented to ensure that the tribal populations are adequately and fully consulted and included in the entire process of preparation, implementation, and monitoring of the project. The TDP & TAP focus on expanding RTPS to tribal areas. The project also motivated gender inclusiveness and the use of RTPS services by women.

The dedicated RTPS help line no. **1800-345-3574** was established to provide assistance to citizens in accessing services. It is a 12 X 7 toll-free service executing outbound and inbound calls. The call center registers, collates, and forwards any reported query, or feedback for resolution within the stipulated time. It receives over 200-400 calls per day, which goes more than 2000 calls during peak times. Appeal Management System (AMS) has also been made functional throughout the Project. In case of non-delivery/ delay in delivery of services, one can file the first appeal in the RTPS Portal with the necessary documents and in case, the appellant is not satisfied with the orders of the first appellate authority, s/he can also file a second appeal to the commissioner, Assam State Commission for Right to Public Services. Assam State Commissioner for RTPS is vested with the power of the civil court to address the Second Appeal raised by the citizen in case they are not satisfied with the response of the First Appeal. 918 First Appeals have been filed, out of which 302 have been resolved whereas 10 Second Appeals have been filed, out of which 4 have been resolved.

The Grievance Redressal Mechanism (GRM) application has been integrated with the Centralized Public Grievance Redress and Monitoring System (CPGRAMS) at the backend for processing of the grievances smoothly. RTPS grievance platform is the only platform where grievances are categorized department-wise. A total of over 7000 grievance applications from citizens were received till April 2023, and almost 79% got disposed of successfully.

The steps were also taken to sensitize government officials by providing training, capacity building programs, etc. which will encourage them to deliver citizen-centric services in a proper way. At the same time, empowering citizens by organizing awareness programs will help in availing public services and their benefits to a wider section of people.

*\* Department wise list of services with tables and charts are given below:*

**Assam Citizen Centric Service Delivery Project**

## A. Department wise Service Delivery Performance

### 1. Revenue and Disaster Management Department

#### Overview:

The Revenue Department basically emphasizes on the land revenue administration across the state of Assam. The department is actively involved in formulation of Government Land Settlement Policy, Administration of Land Reforms, Maintenance of Land Records, Land Requisition and Acquisition, Administration of Land and Land Revenue and Local Rate, Administration of Assam Survey organization and Organization of Relief Operations on account of Natural Calamities. In order to streamline the land revenue services and make them more accessible to citizens, ‘Mission Basundhara’ was conceptualized under the leadership of Hon’ble Chief Minister, Assam. The mission focuses on reducing the pendency in updating land records, through mission mode accelerated disposal of services and creating an ease of doing business environment in the land management ecosystem. Citizens have been able to apply for different land related services since 7<sup>th</sup> October 2021 through <https://rtps.assam.gov.in>, which is an online public service delivery portal of Govt. of Assam.

#### Physical Achievement:

Collectively RTPS portal received 30,45,595 nos. of applications, out of which 8,41,325 (27.62%) applications are disposed and **22,04,270** (72.37%) nos of applications are pending. Out of all those applications, 5,60,767 (18.41%) are delivered within time. Under Digital public service delivery, Mission Basundhara, initiated under Revenue and Disaster Management Department, which is categorized under two phases:

- (a) 1st phase termed as Mission Basundhara 1.0 was launched on 2nd October 2021 and was successfully completed on 7th January 2022.
- (b) 2nd phase of Mission Basundhara 2.0 was launched on 14th November 2022, and it is expected to be completed by end of 2023.

## 2. Commissionerate of Transport

### Overview:

The Commissionerate of Transport is established in accordance with the provision of the Section 213 (1) of the M.V Act, 1988. The main functions include Inspection of Motor Vehicle for Registration & Fitness certificate; Issuance of Road Permits for truck, buses, taxis, auto- rickshaw etc.; Issuance of National Permit to Good Carries; Collection of M.V Tax / Fees / Compounding Fine etc.; Conducting Learner's License Test; Conducting Driving Test (Transport / Non-Transport); Issuance of International Driving Permit; Issuance of Agent License for Goods & Passenger Vehicle; Issuance of License for Auto Emission Testing Station (A.E.T.S.); Issuance of License for Truck Parking Complex; Issuance of Conductor's License; Issuance of Trade Certificate & Trade License for Motor Vehicle Dealer & Service Centre; Checking of Motor Vehicle on roads; Inspection of Accidental Vehicle. The department has its own portals namely Vahan and Sarathi and 15 services have been integrated into RTPS portal. Citizens can also avail these services through <https://rtps.assam.gov.in> since 7<sup>th</sup> October 2021.

### Physical Achievement:

Collectively Vahan/Sarathi and RTPS portal received 31,73,517 applications out of which, 25,24,903 (79.56%) applications are disposed, and 6,48,614 (20.44%) applications are pending. Out of all the applications, 20,06,582 (63.22%) applications are disposed within time.

### 3. Department of Skill, Employment and Entrepreneurship

#### Overview

Skill, Employment & Entrepreneurship Department (SEED) has been established for providing good quality skill training to the youth of Assam with the mandate of implementing number of schemes under the direction of Ministry of Skill Development & Entrepreneurship (MSDE) Govt. of India and State Government. These trainings and schemes are carried out through Directorate of Employment & Craftsmen Training (DECT) and on mission mode through Assam Skill Development Mission (ASDM). In order to create a database of all eligible job seekers in the state and to provide assistance to them, DECT provides registration, renewal and re-registration services which have been made available since 7<sup>th</sup> October 2021 through <https://rtps.assam.gov.in/>.

#### The benefits realized after transitioning to RTPS portal

After the dept decided to stop manual application, online registration service was made live on 7<sup>th</sup> October 2021. On seeing the good response from citizens, the dept notified that all paper-based registration card would be expired on 31<sup>st</sup> March 2022. The benefits realized due to digitization of the registration process are as follows -

- 1) **Crowd Management:** The huge crowd that used to gather for registration in Employment Exchanges has been eliminated through time slot booking. Since the launch of Aadhaar based registration (auto approval mode), the citizens are receiving the registration card instantly.
- 2) **Automation & instant delivery:** The Aadhaar based auto approved registration service makes the whole process automated and service delivery happens instantly.
- 3) **Productivity improvement:** Around 12+ lakhs of registration card was delivered in 3 months (during paper-based to online transition) through Aadhaar based instant delivery registration services which happens to be phenomenal in entire history of Employment Exchange. As a result, the staffs can contribute more to other productive tasks rather than now spending all the time in delivery service of the registration card service.
- 4) **Reporting & Sponsoring to Jobs:** Officials can now access the reports on their fingertips unlike in the manual process where they had to search in the physical cabinets. Employment Exchanges can now refer eligible candidates quickly whenever any requirement is raised from prospective employers.

#### Physical Achievement

Since launch of RTPS and Vahan / Sarathi portal, 15,19,724 applications have been received so far out of which, 15,18,068 (99.89%) applications are disposed and 1,656(0.11%) applications are pending. Out of all those applications, 14,77,447 (97.22%) applications have been disposed within time.

## 4. Department of Industries and Commerce

### Overview

Industries and commerce department, Govt. of Assam plays a vital role in achieving sustainable & balanced industrial growth leading to more employment opportunities, income & economic development of the state. The department is responsible for promoting entrepreneurship in Assam, creating a favorable environment for industrial growth, developing Assam as a major hub for Enterprises based on available resources, generating additional employment, encouraging adoption of environment friendly and sustainable technologies.

Industries and Commerce Department notified few services under the Assam Right to public service portal and made it available through the Ease of Doing Business portal of the Govt. of Assam. Out of all the notified services, 4 services are available in the RTPS portal, which are as follows –

1. Common Application Form
2. Add Unit Common Application Form
3. Land Allotment in various Industrial Estates
4. Shed Allotment in various Industrial Estates

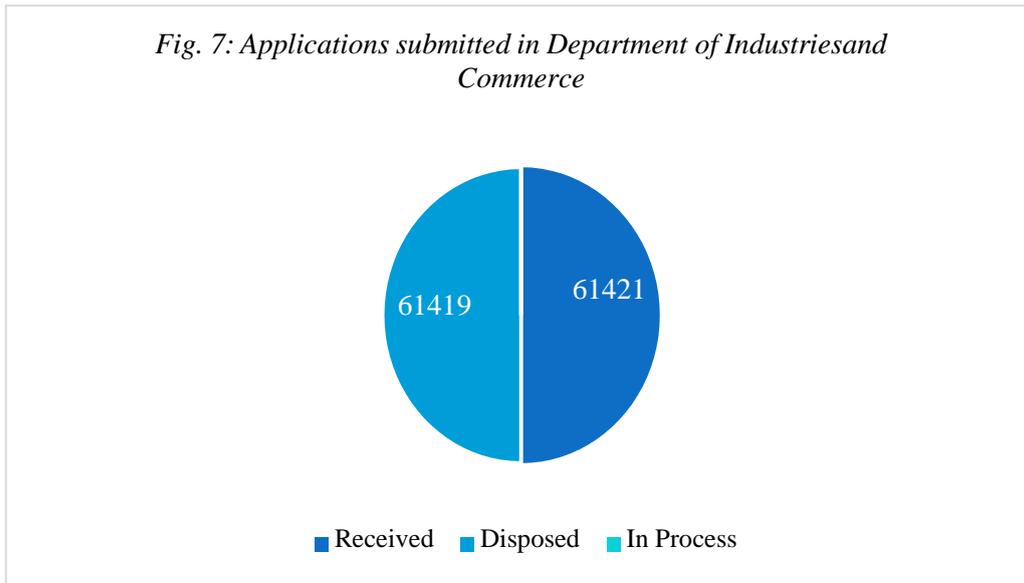

### Physical Achievement:

Collectively RTPS portal received 61,421 no's of applications out of which, 61,419 (99.99%) applications are disposed and 2 (0.01%) no's of applications are pending. Out of all the applications, 61,214 (99.66%) applications are delivered within time.

## 5. Department of Labour and Welfare

### Overview

The Labour Department was constituted as an independent Department in the year 1951. The Chief Inspector of Factories and the Chief Inspector of Boilers were also brought under the control of the Labour Department after the constitution of labour dept.. The Labour Department was renamed as Labour & Employment Department in the year 1981 which again bifurcated in 2016. Currently the department is known as Labour & Welfare Department. Labour & Welfare Department has three (3) wings. Commissionerate of Labour, one of these 3 wings, is involved in the enforcement of the Labour Legislations specifying responsibilities and rights in employment, particularly the responsibilities of the employer and the rights of the employee. With current industrialization and economic growth, the vision of the department is to promote a labour market which shall enable more investment, decent work environment, positive industrial relationships and overall economic growth of the State. There were 15 services already live in EoDB portal out of which 9 services were integrated to RTPS portal after thorough study and modification. The manual mode was stopped after the services were launched in RTPS portal. The response from the citizens was phenomenal; no. of applications jumped from 47 applications (before RTPS) to 30,000+ applications within 3 months. Other two wings of the dept. are as follows -

- i. Inspectorate of Factories: involved in Registration & Licensing of factories (Hazardous & Non-Hazardous)
- ii. Inspectorate of Boilers: In the year 1863, a very serious boiler explosion occurred in Calcutta which caused the loss of several lives. As a result of this explosion, the necessity of inspection of boilers was widely recognised and a bill was introduced to mandate inspection of steam boilers.

### Physical Achievement:

Collectively RTPS portal received 57,896 applications out of which 54,774 (94.61%) applications are disposed and 3,122 (5.39%) applications are pending. Out of all the applications, 49,781 (85.98%) applications are disposed within time.

## 6. Housing and Urban Affairs Department

### Overview:

The Urban Development Department (UDD) was established vide Govt. Notification No. AR. 17/2002/33 on the 9th of June 2002 after amalgamating the erstwhile departments of Municipal Administration and Town & Country Planning. There are four Directorates/ Boards under Urban Development Department viz. Directorate of Municipal Administration, Directorate of Town & Country Planning, Assam Urban Water & Sewage Board and Assam State Housing Board. These Offices look after the affairs of urban local bodies of the state other than Guwahati Municipal Corporation. The main function of the Urban Development Department is coordination between the urban local bodies of the state and discharging the statutory responsibilities under the provisions of the Assam Municipal Act 1956. The other functions include administering the provisions of the Assam Town & Country Planning Act 1958 by way of publishing the Master Plan of each and every urban area of the state. The Guwahati Development Department (GDD) was created in January 1994 as the administrative department for Guwahati Municipal Corporation (GMC) and Guwahati Metropolitan Development Authority (GMDA). The Governor of Assam on 20.07.2021 ordered the merger of the Guwahati Development Department and the Urban Development Department, and henceforth renamed it as "Department of Housing and Urban Affairs". Currently the following services are integrated into RTPS portal which are also present in departmental portal:

- AUWSSB Water Connection Application.
- AUWSSB Water Bill Payment.
- Application for Trade License
- Application for Auto Renewal of Trade License
- Property Assessment
- Property Tax Payment

## Assam Citizen Centric Service Delivery Project

### Physical Achievement:

Collectively RTPS portal received 19,704 applications out of which 19,671 (99.83%) applications are disposed and 33 (0.17%) applications are pending. Out of all the applications, 19,599 (99.47%) applications are disposed within time.

## Assam Citizen Centric Service Delivery Project

## 7. General Administration Department

### Overview:

The General Administrative Department was created in 1950 for dealing with matters concerning improvement in the quality and standards of the general administration in the state by providing manpower, infrastructure and capacity building support to the Division, District and Sub- Divisional level administrative set up and monitoring of the administrative units at these levels. One additional mandate of the department is to look after protocol matters which includes logistic support to the State, Protocol for the dignitaries and people of the State; Welfare of the Ex-Servicemen and Cinema Halls by prompt disposal of protocol matters; Matters relating to Celebration of National Days, State Ceremonial / States Functions; Matters relating to accommodation in Circuit Houses and Assam Houses/ Bhawans outside the State; Matters relating to construction/renovation/ maintenance of Government quarters; Matters relating to Directorate of Sainik Welfare, Assam and Matters relating to the issuance of license to Cinema Halls.

On 20<sup>th</sup> July, 2021, the Secretariat Administration Department (SAD) and the General Administration Department (GAD) were merged as per the Orders of the Governor of Assam and it was renamed the General Administration Department.

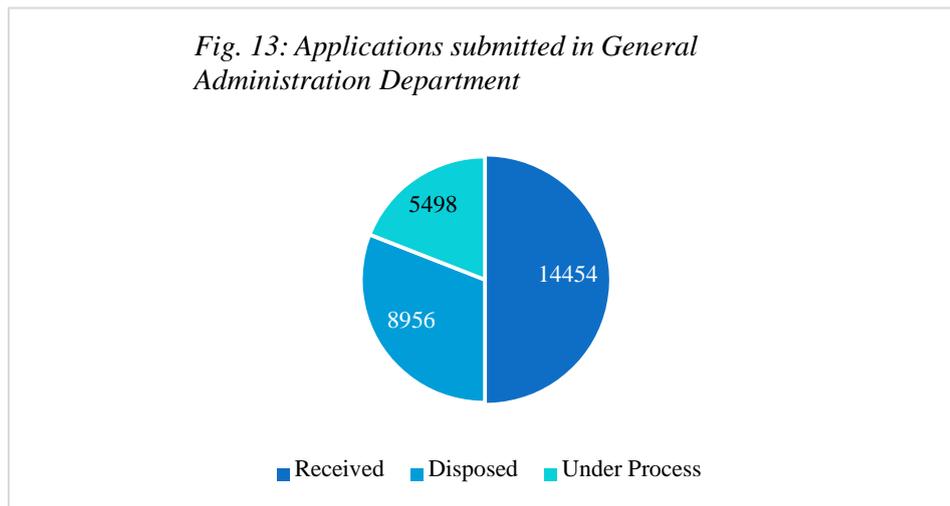

Two online services are provided by the General Administration Department through RTPS portal viz. "Issuance of Next of Kin Certificate" and "Issuance of Senior Citizen Certificate".

### Physical Achievement: Assam Citizen Centric Service Delivery Project

Collectively RTPS portal received 14,454 applications out of which 8,956 (61.96%) applications are disposed and 5,498 (38.04%) applications are pending. Out of all the applications, 4,913 (33.99%) applications are disposed within time.

## 8. Department of Health and Family Welfare

### Overview:

The Health & Family Welfare Department of Assam is one of the vital departments under the Govt of Assam. For administrative convenience, the Health and Family Welfare Department of Assam has been categorized into two divisions – Health-A and Health-B. All hospitals and health institutions apart from the Medical and Nursing Colleges come under Health-A. Whereas all Medical Colleges and Nursing Colleges are under Health-B. The Department comprises of eight sub organizations/directorates – Directorate of Health Services (DHS), Directorate of Health Services (FW), Directorate of Medical Education, National Health Mission, Directorate AYUSH, Food and Drug Administration, Assam State AIDS Control Society, Assam State Blood Transfusion Council.

On 5<sup>th</sup> May 2022; Assam government bifurcated the existing Health & Family Welfare department into two separate units viz. the Health and Family Welfare Department, and the Medical Education and Research Department to deliver improved healthcare services.

The directorates/subjects under the administrative control of the Health and Family Welfare department are – The Directorate of Health Services (DHS), Directorate of Health Services (family welfare), Directorate of Ayush, National Health Mission, Food Safety and Drugs Administration, Assam State AIDS Control Society (ASACS), all nursing schools.

The directorates/subjects under the administrative control of the Medical Education and Research department are - The Directorate of Medical Education, All medical colleges and hospitals, dental colleges, nursing colleges, pharmacy and paramedical institutes under the directorate of medical education, Government Ayurvedic and Homoeopathic colleges, Assam Cancer Care Foundation, Atal Amrit Abhiyan (AAA) Society/Pradhan Mantri Jan Arogya Yojana, Assam Employees Health Scheme, Assam Health System Strengthening Project Society, Srimanta Sankardeva University of Health Sciences (SSUHS), Any other institution related to medical education and research.

Health & Family Welfare have notified five services under the Assam Right to Public Service Act on 8<sup>th</sup> April'2013. Out of five, two services of Health & Family welfare services viz. "Permission for Delayed Birth Registration" and "Permission for Delayed Death Registration" were launched in RTPS portal on 18<sup>th</sup> April'2022 and two services viz. "Issuance of Birth Certificate" and "Issuance of Death Certificate" were launched in the portal on 1<sup>st</sup> April'2023. "Issuance of Disability Certificate" service is currently available through a central portal (<https://www.swavlambancard.gov.in/>) and is provided as re-directional service in the RTPS portal.

### Physical Achievement:

Collectively RTPS portal received 8,744 applications out of which 3,462 (39.59%) applications are disposed and 5,282 (60.41%) applications are pending. Out of all the applications, 1,100 (12.58%) applications are disposed within time.

## 9. Guwahati Development Department

### Overview

The Guwahati Development Department (GDD) is responsible for planning, implementation and monitoring of various development projects in the city of Guwahati. The department works towards improving the quality of the life of the citizens of Guwahati by providing basic civic amenities such as water supply, drainage, roads, streetlight etc.

The GDD department provides a range of citizen-centric services related to building permission, Property tax assessment and payment, cess pool, building construction certificate and more. Some of the citizen centric services offered by the GDD department through RTPS Portal include:

1. Property assessment/reassessment/mutation
2. Issuance of Building Permission
3. Issue and renewal of trade license
4. Cess Pool Service

In order to access these services, citizens need to first register in the portal (<https://rtps.assam.gov.in>). Before on-boarding into the RTPS Portal there was no specific tracking mechanism at the citizen's end. There was no fixed timeline for getting the certificates. However, after availability of the services through RTPS portal, citizens are benefitted in the following ways -

- The efficiency and accountability of service delivery increased.
- It eliminated the need of citizen to stand in long queues.
- Number of visits to the office for availing services reduced, reducing the cost of availing services
- Citizen can now easily track the status of their applications.

In short, the service delivery mechanism of Guwahati development department has improved after on-boarding the services into the RTPS Portal.

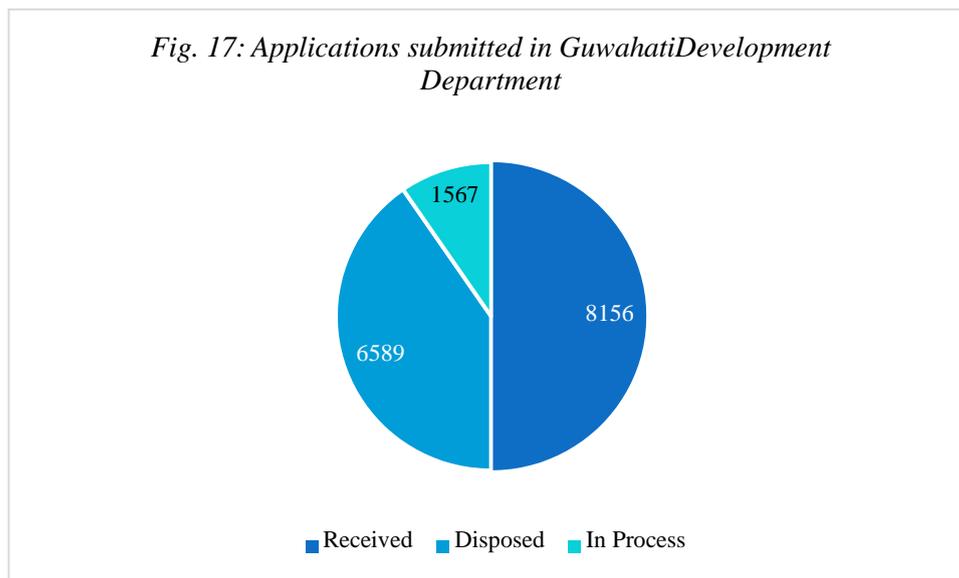

### Physical Achievement:

Collectively RTPS portal received 8,156 applications out of which 6,589 (80.79%) applications are disposed and 1,567 (19.21%) applications are pending. Out of all those applications, 3,468 (42.52%) applications are disposed within time.

## 10. Home and Political Department

### Overview:

The Home and Political Department of the Government of Assam is responsible for maintaining law and order, ensuring internal security, and managing political affairs in the state of Assam. The department is also responsible for the functioning of the Assam Police, Civil Defence & Home Guards, Forensic Science, Prison, Fire & Emergency Service Vigilance & Anti-Corruption. The department also oversees the implementation of various laws and regulations related to crime prevention, public safety, and security. The Home and Political Department of Assam provides various citizen services related to Residential status, Fire and Life safety measures, Permission for Fairs and Events, Arm license etc.

Directorate of Fire & Emergency deals with various fire prevention and life safety measures related service delivery in the state. With the growing urbanization, continuous increase in population and frenetic pace of industrialization, the demand for fire and emergency services in the society is increasing at a very fast pace. Directorate of Fire and Emergency Department provides following services and has notified the same under the Right to Public Service Act, 2012.

1. No objection Certificate for Fire Safety of Building (Form I to X)
2. Renewal of NOC for fire safety of Building
3. Fire Attendance Certificate

Before the services were launched in RTPS portal, services were available in the Eodb (eodb.assam.gov.in) portal only for the business entities.

## Assam Citizen Centric Service Delivery Project

### After launch in RTPS portal:

1. The services have been made available for both citizen and business entities.
2. Manual applications have been discontinued for the NOC and Renewal of NOC for Fire safety of the building.
3. Before the launch in RTPS portal, NOCs used to get expired on 31st March of every year. Currently after availability of services through RTPS, the expiry of the NOCs has changed and NOCs are being issued for a certain validity period based on the vulnerabilities of the occupancy.

Recently, Home and Political Department has integrated the service related to Permanent Residence Certificate for Higher Education in Assam Right to Public Service portal. Home and Political Department is rigorously monitoring the service delivery mechanism and is taking necessary steps in process simplification, maintaining timeline etc. to improve the service delivery.

### Physical Progress:

Collectively RTPS portal received 7,046 applications out of which 4,503 (63.90%) applications are disposed and 2,543 (36.09%) applications are pending. Out of all those applications, 2,872 (40.76%) applications are disposed within time.

## Assam Citizen Centric Service Delivery Project

## 12. Directorate of Inland Water Transport

### Overview:

The Inland Water Transport Department is committed to ensure safe and secured passenger & cargo ferry services across the state of Assam. The Inland Water Transport department of Assam provides various citizen services related to water transport of the Assam. Some of the key services offered by the departments are:

- 1) Issuance of Inland Water Transport Registration Certificate: The IWT, Assam issues registration certificates to vessel and Boat owners to permit them running of vessels used for transportation on inland waterways.
- 2) Registration of Boats: The department also registers boats used for commercial or private vessel that are used for transportation on inland waterways.
- 3) Issuance of License: Licenses are issued to Boat operators, drivers and crew members to ensure their competence and safety while operating on the waterways.

Overall, the Inland Water Transport Department of Assam plays a crucial role in ensuring safe and efficient transportation on the waterways of the State of Assam. In order to make these services more accessible to the citizen of Assam, the services are now completely integrated and made available on the RTPS Portal (<http://rtps.assam.gov.in>).

Services available on the Portal:

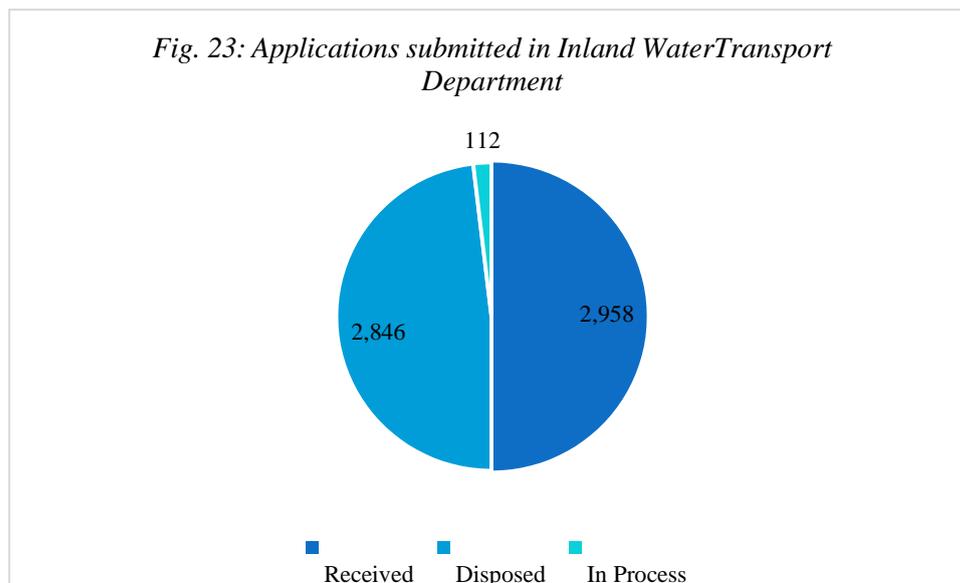

- i. Registration of Boats and Vessels
- ii. Renewal of Certificate of Survey
- iii. Issuance of Certificate of Competency
- iv. Cancellation of Vessel Registration
- v. Issuance of Duplicate Registration Certificate
- vi. NOC for Transfer of Registry of a Registered Vessel to other Registering Authority
- vii. Transfer of Ownership of a Registered Vessels
- viii. Registration of Alteration

### Physical Progress:

Collectively RTPS portal received 2,958 applications out of which 2,846 (96.21%) applications are disposed and 112 (3.79%) applications are pending. Out of all those applications 2,707 (91.51%) applications are disposed within time.

## 14. Department of Agriculture and Horticulture

### Overview:

Agriculture in Assam accounts for about 54.11 per cent of the total geographical area of the state, with almost 70% of the population directly being dependent on agriculture as an income source. It is an integral revenue earning sector of the state, sustaining a huge number of people. Owing to the availability of fertile soil and abundance of rain, the state provides a favorable environment for production of both food and cash crops such as rice, pulses, tea etc. Since the economy of Assam is primarily dependent on agriculture, the Agriculture Department of Assam is striving to practice a sustainable, cost-effective, and scientifically advanced form of agriculture through implementation of various policies and initiatives.

The Agriculture Department in the state was created in April, 1882. But later on in 1923, three allied Departments - Agriculture, Cooperation and Industries were combined. At present, the Department of Agriculture is driven by the vision to implement policies and programmes aimed at achieving rapid agricultural growth through optimum utilization of available resources of the State. It aims to educate the farmers in practicing sustainable and commercial modes of agriculture, with the use of scientific methods. Besides popularizing the use of farmer's friendly bio-fertilizers, it gives utmost emphasis on creation of assured irrigation facilities to the farmers through minor irrigation schemes to obtain maximum returns from their land. The Department also conducts various programs from time to time to enlighten the farmers on the use of ICT applications and calamity relief programs during natural disasters.

The agriculture department provides many citizens centric services and schemes through offline mode to the citizen. Some of the citizen centric services are also made online. The department is working seamlessly to onboard more services on the online platform so that citizens can avail those services easily. The following service is available on the RTPS (SEWA SETU) portal and citizens can apply through <https://sewasetu.assam.gov.in/>. -

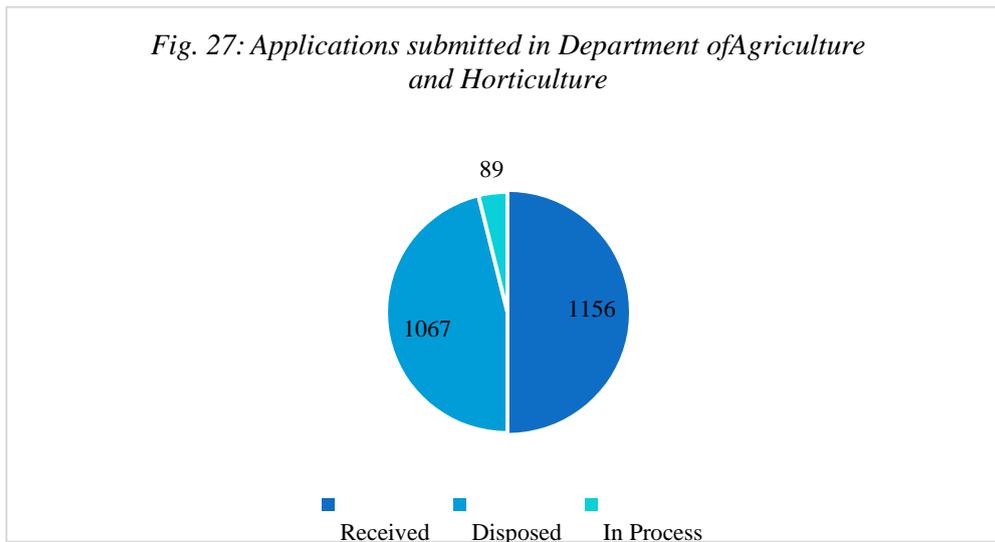

- Application for Retail fertilizer sale point

### Physical Achievement:

Collectively RTPS portal received 1,156 applications out of which 1,067 (92.30%) applications are disposed and 89 (7.70%) applications are pending. Out of all the applications, 937 (81.05%) applications are disposed within time.

## Assam Citizen Centric Service Delivery Project

## 15. Secondary Education Department

### Overview:

The secondary education department have notified services of Board of Secondary Education (SEBA) and Assam Higher Secondary Education Council (AHSEC) under Assam Right to Public Services on 11<sup>th</sup> March 2013. The Assam Secondary Education Act, 1961 (Assam Act, XXV of 1961) was passed to provide for the establishment of a Board of Secondary Education to regulate, supervise and develop Secondary Education in the State of Assam. The Act came into force with effect from 29th January 1962 with the publication of Government of Assam, Education Department Notification no. 159/61/37 dated 29/1/1962 and thus, the Board of Secondary Education, Assam (popularly known as SEBA) was formed on 14 March 1962.

The Assam Higher Secondary Education Council (abbreviated as AHSEC) is a state education regulatory board established by the Assam Government on 1st June 1984 under the jurisdiction of the Ministry of Education, Government of Assam to regulate, supervise and develop the system of Higher Secondary Education (+ 2 stages) in the State of Assam.

### Physical Achievement:

Collectively RTPS portal received 1,034 applications out of which 991 (95.34%) applications are disposed and 43 (4.16%) applications are pending. Out of all the applications, 464 (44.87%) applications are disposed within time.

## 16. Co-operation Department

### Overview:

The Department of Cooperation, Govt of Assam, being peoples Institution for the economic & social betterment, is responsible for Establishment of a strong and vibrant Cooperative Sector in the state through voluntary formation, democratic functioning and professional management of viable Cooperative Societies. The Cooperation Department of the Government of Assam is responsible for promoting and regulating cooperative societies in the state. Some of the key works done by the department are:

- **Registration and regulation of cooperative societies:** The department is responsible for registering and regulating cooperative societies in the state. It ensures that the societies comply with the Cooperative Societies Act and the rules and regulations framed under it.
- **Promotion of cooperative societies:** The department promotes the formation of new cooperative societies in different sectors such as agriculture, dairy, fisheries, handicrafts, and housing. It also provides financial and technical assistance to these societies.
- **Audit and inspection of cooperative societies:** The department conducts regular audits and inspections of cooperative societies to ensure that they are functioning efficiently and are complying with the provisions of the Cooperative Societies Act.
- **Training and education:** The department provides training and education to members of cooperative societies, particularly in the areas of management, finance, and marketing.
- **Financial assistance:** The department provides financial assistance to cooperative societies in the form of loans, subsidies, and grants.
- **Cooperative development:** The department promotes the development of the cooperative movement in the state by organizing seminars, workshops, and other awareness programs. It also collaborates with national and international organizations to exchange knowledge and experiences.

Overall, the Cooperation Department of the Government of Assam plays a vital role in promoting the development of cooperative societies and strengthening the cooperative movement in the state.

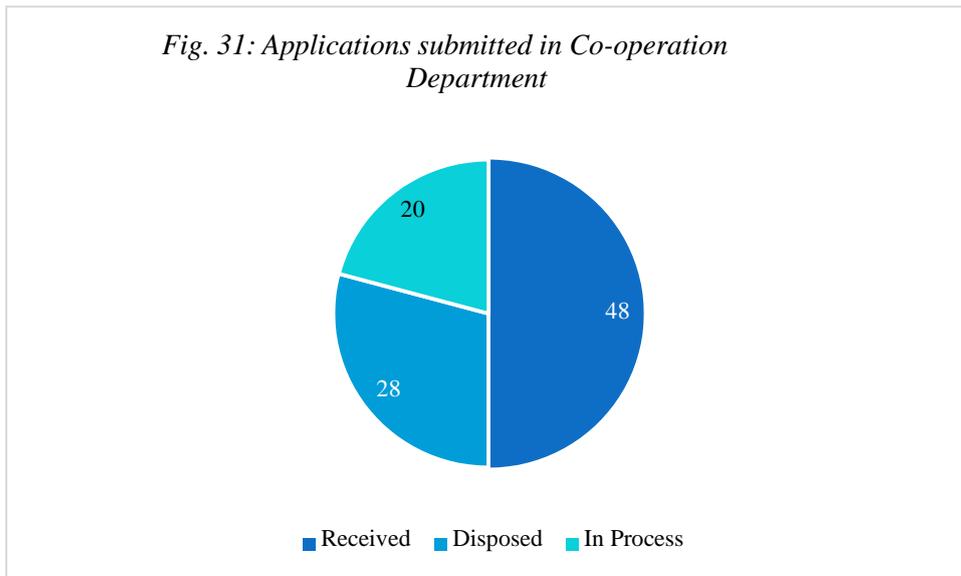

Currently, only the service - Registration of Cooperative Society with Limited Liability under the Assam Cooperative Societies Act 2007 is available on the RTPS portal.

### Physical Achievement:

Collectively RTPS portal received 48 applications out of which 28 (58.33%) applications are disposed and 20 (41.66%) applications are pending. Out of all the applications 15 (31.25%) applications are disposed within time.

## 17. Assam Soil Conservation Department

### Overview

Soil Conservation department of Govt. of Assam is responsible for Promoting sustainable utilization of soil, water and vegetation resources and in situ moisture conservation and sustainable agriculture production. The Department also promotes social, economic status of farmers and maintaining of ecological balance. The Department works for restoration of ecological balance by augmenting, conserving & harnessing natural resources; minimization of flood hazards in the valley bottom areas and farmlands by way of preventing silt deposition in the riverbed; protection of agricultural land from throwing of sand by the rivers during flood season.

Soil Conservation Department is taking up various development projects like Gully Control Project, Water Harvesting & Distribution Project, Land Development Project, Land Reclamation Project, Riverine Protection Works, Afforestation, Nature Conservation, Wetland Development Project, Watershed Development Project etc.

Department has taken various development activities in recent past. Many activities are also in progress. Most of the contractors, who are associated with these development activities, are registered with the Public Works Department, Govt. of Assam. For smooth execution and better monitoring of these development works, the department decided to start registrations of contracts under Soil Conservation department. Department identified and notified the following three services under Right to public service Act, 2012 and decided to make it available through the RTPS portal developed under Assam citizen Centric Service Delivery Project -

1. Registration of Contractor
2. Renewal of Contractors
3. Upgradation of Contractors

Under the scope of the Assam Citizen Centric Service Delivery project, business process re- engineering study of above-mentioned services have been done and the services have been launched in the RTPS portal on 10<sup>th</sup> January, 2023 by Shri. Urkhao Gwra Brahma, Hon'ble Minister of Govt. of Assam, Soil Conservation Department.

### Physical Progress:

Collectively RTPS portal received 14 applications out of which 0 applications are disposed and 14 (100%) applications are pending.

## 18. Animal Husbandry and Veterinary Department

### Overview:

Animal Husbandry and Veterinary is one of the major departments responsible for matters relating to livestock production, preservation, protection from disease and improvement of stocks and dairy development. It also looks after all matters pertaining to fishing and fisheries. The Department plays a vital role in socio-economic development of the rural mass in particular and the state as a whole and has substantial contribution towards GDP growth.

Animal Husbandry and Veterinary Department also provides Citizen Centric Service Delivery related to the Postmortem, Valuation, Cattle Transit Permission, Animal Health, Vaccination etc. Department notified following three services under the Assam Right to Public Service Act, 2012

1. Animal Health Certificate
2. Valuation Certificate of Animal/Birds
3. Postmortem Report

Under the scope of the Assam Citizen Centric Service Delivery Project, Business Process Re-engineering study has been completed for the above-mentioned three services. Out of the three services, two are available in the Right to Public Service Portal and the rest one is in development stage.

Before ACCSD Project, the services were delivered through offline mode and no standard operating procedure was established, though the services were guaranteed through the Right to Public Service Act. Currently, two services are available in the RTPS Portal so that citizen can easily avail the services. The department is continuously monitoring the service delivery and is taking necessary steps to deliver the services with ease and within stipulated timeline.

### Physical Progress:

Collectively RTPS portal received 82 applications out of which 63 (76.83%) applications are disposed and 19 (23.17%) applications are pending. Out of all those applications, 20 (24.39%) applications are disposed within time.

## 19. Bodoland Territorial Area District (BTAD)

### Overview:

The Bodoland Territorial Council (BTC) was constituted under the Sixth Schedule to the Constitution of India in the year 2003 after the signing of Memorandum of Settlement on 10th February 2003 between the Government of India, the Government of Assam and Bodo Liberation Tigers, to fulfill economic, educational and linguistic aspiration and the preservation of land-rights, socio-cultural and ethnic identity of the Bodos and to speed up the infrastructure in BTC area.

The Council aims at accelerating progress to one of the most backward region of the state of Assam with special focus on the development of the Bodo people in the field of education, preservation of land rights, linguistic aspiration, culture and its ethnic identity.

Above all, the BTC has placed emphasis on development of the economic infrastructure of entire area for the upliftment of the down-trodden people irrespective of caste, creed and religion living in this part of the country. Under the administrative control of BTC there are many departments which provide RTPS services to the citizens of Bodoland Territorial Area Districts.

Some of the key services offered by various departments of BTC are:

#### 1. Issuance Of Marriage Registration - Application for Marriage Registration (BTAD)

The Sub-register Office under Revenue & Disaster Management Department, BTC provides this service to the citizens seeking Marriage Registration Certificate.

#### 2. Issuance of Non-Encumbrance Certificate (BTAD)

This service is provided by the Sub-register Office under Revenue & Disaster Management Department, BTC to the citizens seeking Non-Encumbrance Certificate.

#### 3. Registration of documents under Registration Act, 1908 (Sale Deed) (BTAD)

This service is provided by the Sub-register Office under Revenue & Disaster Management Department, BTC to the citizens seeking Registration of Document (Sale Deed).

#### 4. Issuance of Certified Copy of Registered Sale Deeds (BTAD)

This service is provided by the Sub-register Office under Revenue & Disaster Management Department, BTC to the citizens seeking Certified Copy of Registered Sale Deed.

#### 5. Registration of Establishment under the Assam Shops & Establishment Act, 1971 in Form O (BTAD)

This service is provided by the Labour Department, BTC.

#### 6. Renewal of Establishment under the Assam Shops & Establishment Act, 1971 in Form O (BTAD)

This service is provided by the Labour Department, BTC.

#### 7. Application Form for Registration of Cooperative Society with Limited Liability under the Assam Cooperative Societies Act 2007 (BTAD)

This service is provided by the Co-operation Department of BTC for registration of Co-operative Society.

These services are more accessible to the citizen of BTC, Assam and are made available on the RTPS Portal (<http://sewasetu.assam.gov.in>).

**Physical Achievement:**

Collectively RTPS portal received 13,709 applications out of which 10,792 (78.72%) applications are disposed and 2,917(21.27%) applications are pending. Out of all the applications, 8615 (62.84%) applications are disposed within time.

## 20. Karbi Anglong Autonomous Council

### Overview:

The ARTPS Act was made applicable to the whole state of Assam in 2013 except the Sixth Schedule Districts such as Karbi Anglong, Dima Hasao and BTAD. The Sixth Schedule under article 244 (2) of the constitution of India provides for an establishment of Autonomous Councils that give them certain legislative, executive, judicial and financial powers. No act of State legislature with respect to which the Autonomous Council may make laws, applies to the districts unless the Council gives direction with respect to the applicability of the Act under its jurisdiction. In the context of Karbi Anglong districts, the ARTPS act was adopted by the authority of Karbi Anglong Autonomous Council (KAAC) in the year 2018. Taking into account the unique administrative set-up and the population largely being tribal, it was established during the initial assessment of the project that the region requires special attention. Accordingly, a Tribal Development Plan (TDP) was prepared to address the tribal issues upfront and provide for culturally compatible benefits within the project framework. The key component of the TDP includes notification of services under ARTPS Act, setting up of Public Facilitation centres (PFCs) along with awareness generation campaign. So far, the Council has notified 54 (fifty-four) services out of which, 10 (Ten) services are of the Land & Revenue department, 03 (three) services are of Diphu Municipal Board and 1 (One) service is of Agricultural department – all these services are live on the RTPS portal that was successfully launched on 7th October 2021. Citizens, therefore, can avail the services online through the website [rtps.assam.gov.in](http://rtps.assam.gov.in) or by visiting the nearest PFCs.

### Benefits to the Society:

The dept, based on good citizen response, has decided to stop all manual application and registration services and decided to make all the services online after the inauguration of RTPS Portal on 7<sup>th</sup> October, 2021. The benefits realized after transitioning to RTPS portal:

- **Time saving after transition from manual to RTPS portal:** An impact study was conducted in KAAC on the number of days required to get the service through the online and manual process. As many as 40% of the respondent mentioned it took them more than 10 days while 15% said less than 15 days respectively to get the certificate in manual mode. Many of them revealed that without any connection with the officials at the revenue office, getting the services on time was not possible. But after transition of services from manual to online mode through RTPS portal, the majority of them i.e. 65% of the respondents mentioned that they got the services delivered within 10 days without facing any difficulties.
- **Cost Reduction due to RTPS Portal:** In the manual process, 95% applicants recalled spending more than Rs.1,000 to avail the service, whereas in online mode, 65% confirmed to have paid less than Rs.300 followed by 35% who spent less than Rs.500.

## Physical Achievement:

Since launch of RTPS portal, 18,431 applications have been received so far by the council, out of which 15,875 (86.13%) applications are disposed and 2,556 (13.86%) applications are pending. Out of all the applications 14,454 (78.42%) applications are disposed within time.

## 21. North Cachar Hills Autonomous Council

### Overview:

The Dima Hasao District is administered by North Cachar Hills Autonomous Council (NCHAC). The Autonomous Council is an autonomous body and almost all the government depts. in the Dima Hasao Dist. are under its control except the police and Law & Order, which is under Assam Government. Under the administrative control of NCHAC there are many departments which provide crucial services for the denizens of Dima Hasao. Some of the key services offered by various department are:

- **Jamabandi Copy under NCHAC:** The Revenue and Settlement Department provide these services to the citizens having land patta which is required in the bank for various loan related purposes.
- **Trading License:** This service is provided from the Taxation Department of NCHAC to the Non- Tribal Denizens of Dima Hasao and Assam who wish to start any type of business within Dima Hasao.
- **Trading Permit:** This service is provided from the Taxation Department of NCHAC to the Tribal Denizens of Dima Hasao who wish to start any type of business within Dima Hasao.

These are some of the important services of the NCHAC which are mandatory for those who want to apply for loan in any bank (Jamabandi) and for those who want to start their business in Dima Hasao, Assam (Trading License and Trading Permit). In order to make these services more accessible to the citizen of Assam, the services are completely integrated in the RTPS Portal (<http://rtps.assam.gov.in>) and made available online. Services available in the Portal:

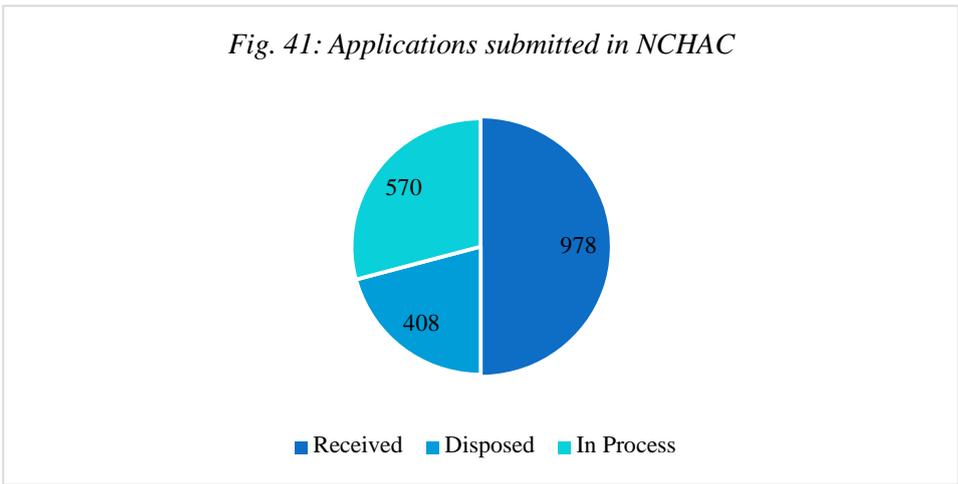

- i) Trading License (Non-Tribal).
- ii) Trading Permit (Tribal).
- iii) Jamabandi Copy Under NCHAC.
- iv) Permanent Residential Certificate under NCHAC.
- v) NOC for Immovable Properties.

### Physical Achievement:

Since launch of RTPS portal, 978 applications have been received so far by the council, out of which 408 (41.72%) applications are disposed and 570 (58.28%) applications are pending. Out of all the applications 108 (11.04%) applications are disposed within time.

## Assam Citizen Centric Service Delivery Project

## 22. Assam Power Distribution Company Limited

### Overview:

The Assam State Government owns all of the stock of the public limited company known as Assam Power Distribution Company Limited (APDCL). It was established on October 23, 2009, and has been registered in accordance with the Indian Companies Act 1956.

In accordance with an approved transfer scheme under Part XIII of the Electricity Act, 2003, the primary goal of founding the Company was to acquire, manage, and operate the electricity distribution system, assets, liabilities, and undertaking of the former Assam State Electricity Board (ASEB).

The company's main goal is to carry out all operations related to or incidental to the distribution, trade, and supply of electricity in the state of Assam or elsewhere in line with the applicable laws. Additionally, it is responsible for creating, managing, and running Assam's electricity distribution system. The task of delivering power is done by APDCL, and it covers the whole state ( from Jonai to Lowairpowa and from Sadiya to Mancachar). Despite numerous physical obstacles, APDCL is extending its distribution network from the hilly North Cachar Hills to the low plains of Morigaon.

APDCL has developed <https://www.apdcl.org/> and My Bijulee so that citizen can make payments easily. In RTPS the following services are integrated with APDCL website and citizen can apply through <https://sewasetu.assam.gov.in/>. The Services are mentioned below

1. Pay Electricity Bill
2. Print Duplicate Receipt
3. Recharge Prepaid Meter
4. Smart Prepaid Balance
5. View Electricity Bill
6. Application for new Low-Tension connection (APDCL)

### Physical Achievement:

Since launch of RTPS portal, 22 applications have been received so far by the council, out of which 2 (9.09%) applications are disposed and 20 (90.91%) applications are pending. Out of all the applications 2 (9.09%) applications are disposed within time.

## B. Training & Capacity Building

One of the main forces behind the effective implementation of RTPS Act is digital technology, which also has an impact on how services are delivered. Information technology has recently received significant attention from the Government of India for development and improvement of its service delivery. One of the primary challenges while implementing the act is the usability of technology by Govt. officials and the citizens. Necessary handholding supports are given by the designated vendors to the citizens to avail the Govt. services. Similarly for operations at the service delivery end, every public servant needs to be trained on the digital platforms and processes to deliver services efficiently to the public.

Before imparting the training, a training need assessment has been done as per the following approaches:

- Brainstorming Sessions with BPREs & Departmental Officials
- Meeting with Various Department key functionaries
- Request letters received from various departments & districts for trainings.
- On the basis of cases department wise.

On the basis of the above approaches the following training need has been identified:

- TOT for Back-end services for departmental officials
- Training on Back-end services for departmental Officials
- Training on Appeal Management & Grievance Redressal for concerned department officers.
- TOT on Front end services & AMS for SNAs & PFC Operators & CSC district managers.
- Training on Front end services for SNAs, PFC & CSC Operators for new services.
- Training for Call Centre Executives on Services & Communication Skills etc.
- RTPS cell members of various dept.

As per training need assessment, series of trainings have been conducted both physical & virtual mode.

*Table - 112: Training activities*

Sl. No.	Activities	Status
1	Training on the ARTPS Act/ Rules with emphasis on the role of empathy in public service delivery in district level officers & dealing assistants.	Training completed for 83 Master-Trainers on the Act & Rules at the State level & 8348 officers/assistants, involved in service delivery, are being trained by the Master-Trainers at the districts.
2	Training of the Appellate Authorities and Dealing Assistants on the Act with	631 officials have been trained on Appeal Management system from various departments

	emphasis on Appeal Management	across the state
3	Training on the front-end applications of the ARTPS portal.	Training completed for 1510 PFC operators and 246 supervisors/CSC Master-Trainers
4	Training on the backend application of services available on the portal.	<p>Training on backend applications done for all services for which development/integration to the portal has been completed.</p> <p>209 ToT has been trained from various department on backend services.</p> <p>1728 Officials (DPSs &amp; DAs) involved in backend service delivery process have been trained with a physical mode.</p> <p>913 Officials (DPSs &amp; DAs) involved in backend service delivery process have been trained with a virtual mode.</p>
5	Workshop conducted on RTPS and CPGRAMS on Grievance management	Attended by 85 Public Grievance (PG) Officers
6	Training on PFC/CSC	Training on Project Sadbhawana, Mission Basundhara 2.0 has been conducted and 474 Tele Caller Executives, PFC TLs, SNAs, Operators & CSC District Managers & Operators have been trained.

The offline trainings have been conducted at Assam Administrative Staff College, Khanapara & Indian Institute of Bank Management (IIBM), Khanapara. The trainings have been conducted for both theory & hands on practical activities for online service deliver process. All the participating officers, involved in service delivery process, have gone through hands on training for entire application service delivery process more than once. Training on appeal management system has also been conducted covering all department notified appellate authorities and the dealing assistants to the appellate authorities.

“Training of Trainers (ToT)” has also been conducted in respective offices, departments & districts covering subjects related to RTPS act, rules & services and backend application process of services. As more services are being integrated with the RTPS portal, more targeted trainings are being planned for the departmental officials who are involved in service delivery process. Apart from the Virtual & physical mode of trainings, Hybrid mode of training has also been planned so that more numbers of participants can be covered.

Over time, people tend to forget learnings from the trainings due to quality of training materials. High-quality engaging training resources, such as instructional movies / videos can prove to be far more effective in this regard. The production of instructional video has been planned and approved by the competent authority and it's under process. The trainees can watch instructional videos and get their questions answered.

ject

### C. ACCSDP targeted interventions to improve service delivery in autonomous council districts.

- **Extension of RTPS Act and notification of services:** The 3 Councils adopted the Assam Right to Public Service (ARTPS) Act 2012 in 2018 with the aim to strengthen service delivery in the Council areas. The number of services notified under the ARTPS Act till April 30<sup>th</sup>, 2023 are :

BTC -36 services	KAAC -56 services	NCHAC -28 services
------------------	-------------------	--------------------

- **Business Process Reengineering (BPR):** BPR of 31 services (BTC-10, NCHAC-8 and KAAC-13) has been completed and 5 services (KAAC-3 and NCHAC-2) in the 2 Councils are under process. *As-Is* study has been completed for all the services and validation has been done by the 3 Councils. Workshops on BPR recommendation and functional requirements specifications have been conducted for NCHAC and KAAC and BTC with due inputs from the Council officials.
- **Communication and awareness in local tribal languages:** Executive summary of the Tribal Development Plan was developed and translated in Assamese, the official language of the State by ARIAS Society. Initiatives were taken by the 3 Councils to translate the TDP summary in local language namely, Bodo, Dimasa and Karbi. The departments which took the initiative for translation were Art and Culture department, KAAC; Information and Public Relations Department, BTC and Department of Information and Public Relations, NCHAC. KAAC also translated their Tribal Action Plan in Karbi language. Disclosure of the translated versions was done through the ARIAS website.
- **Capacity building and Change management:** 7 TDP dissemination workshops were conducted in 7 districts under the 3 Autonomous Councils, BTC, KAAC and NCHAC for local citizens, SHGs, frontline government functionaries and officials. A total of 551 participants (Women-313, Men-238) attended the workshop. TDP and Tribal Action Plans of the Council were proactively disclosed to the participants, along with highlights of the outcomes under the ACCSD Project. Participatory mapping exercise during the workshops enabled the participants to comprehend how both the ARTPS Act and the ACCSD Project could facilitate efficient service delivery in the long run.
- **Institutional arrangements:** Complying with the Tribal Action Plan, BTC, KAAC and NCHAC have notified Programme Implementation Unit (PIU) for ensuring smooth implementation of the Project. The setting up of PIU in the 3 Councils has been initiated. Apart from the Business Process Reengineering Expert (BPPE) who is already placed in the Council, the PIU will have 3 other resources namely, IT Expert, Tribal development Expert (TDE) and Office Executive (OE). Hiring of resources namely, TDE and OE is in process

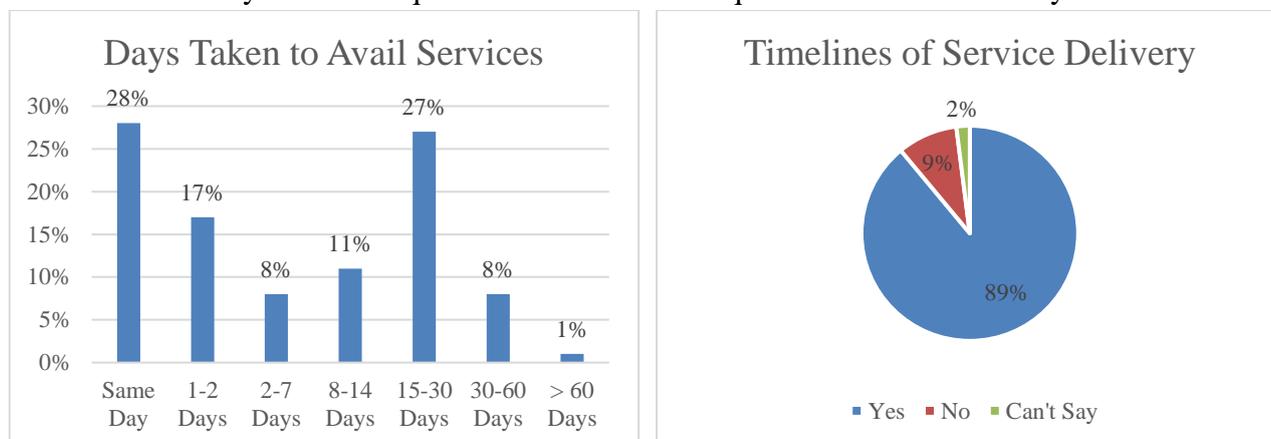

and will be recruited locally.

- **Grievance Redressal System:** A Grievance Redressal System (GRS) has been set up for the stakeholders/ partners involved in the ACCSD Project for the resolution of any dispute or grievances/ complaints in regards to the Project within a reasonable time frame while ensuring the principles of natural justice and fair treatment. This is also in line with the World Bank Standard-ESS 10: Stakeholder Engagement and Information Disclosure and SDG 8 and 16, which ensures responsible business conduct and, building effective, accountable and inclusive institutions at all levels.

## Assam Citizen Centric Service Delivery Project

## D. Service Delivery Timeline Compliance

Endline survey was conducted to assess the progress and success of ACCSD project. 89% of respondents received the services within stipulated time. The figures below illustrate the duration for service delivery and the frequent number of visits required for service delivery –

It was found during the survey,

- Nearly one third of the applications were processed and service was delivered same day
- Around 45% of service delivery was done within 2 days post RTPS Implementation.
- Service Delivery that was delayed beyond 30 days, has almost halved post RTPS implementation.

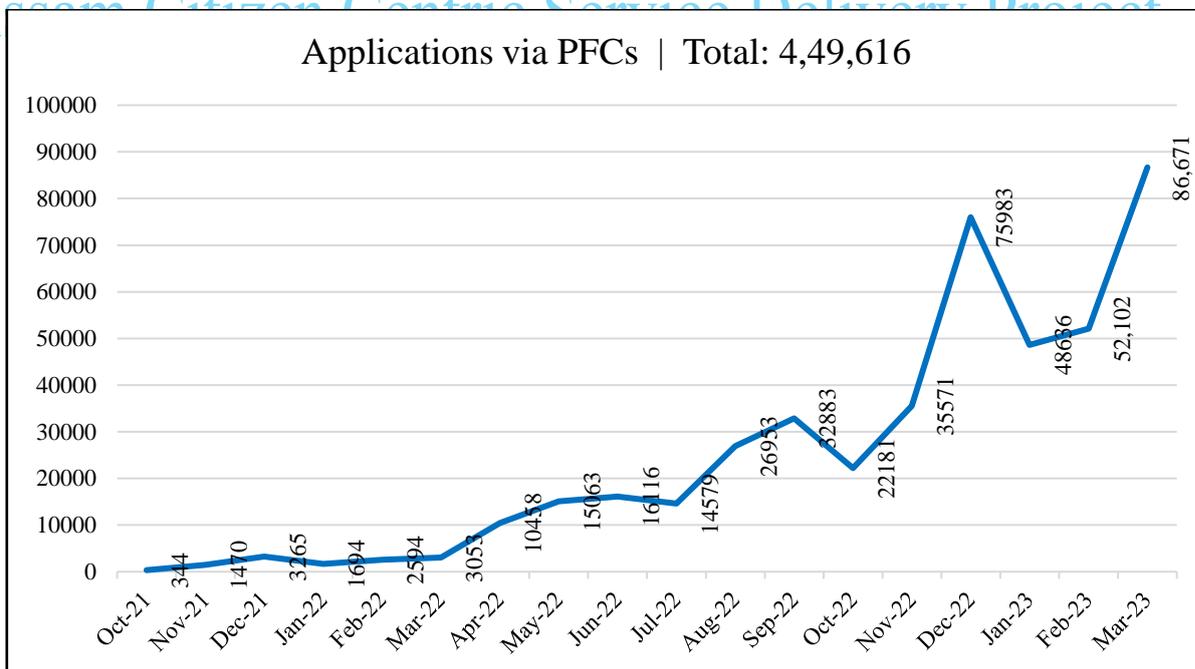

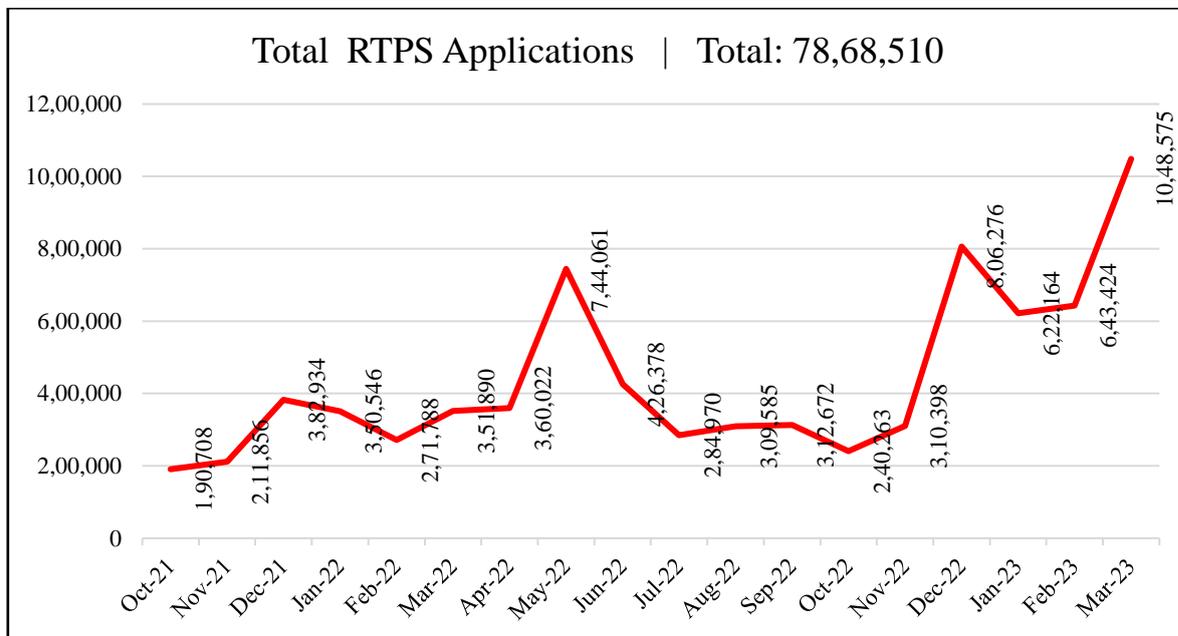

With majority of respondents (89%) reporting service delivery was made within stipulated time, the overall timeliness of service delivery can be inferred to be quite satisfactory. However, a few districts were identified where the delivery of services within stipulated timeline was found to be lower. District-wise analysis has been made to identify the districts with high and low percentage of citizens reporting service delivery done within stipulated time.

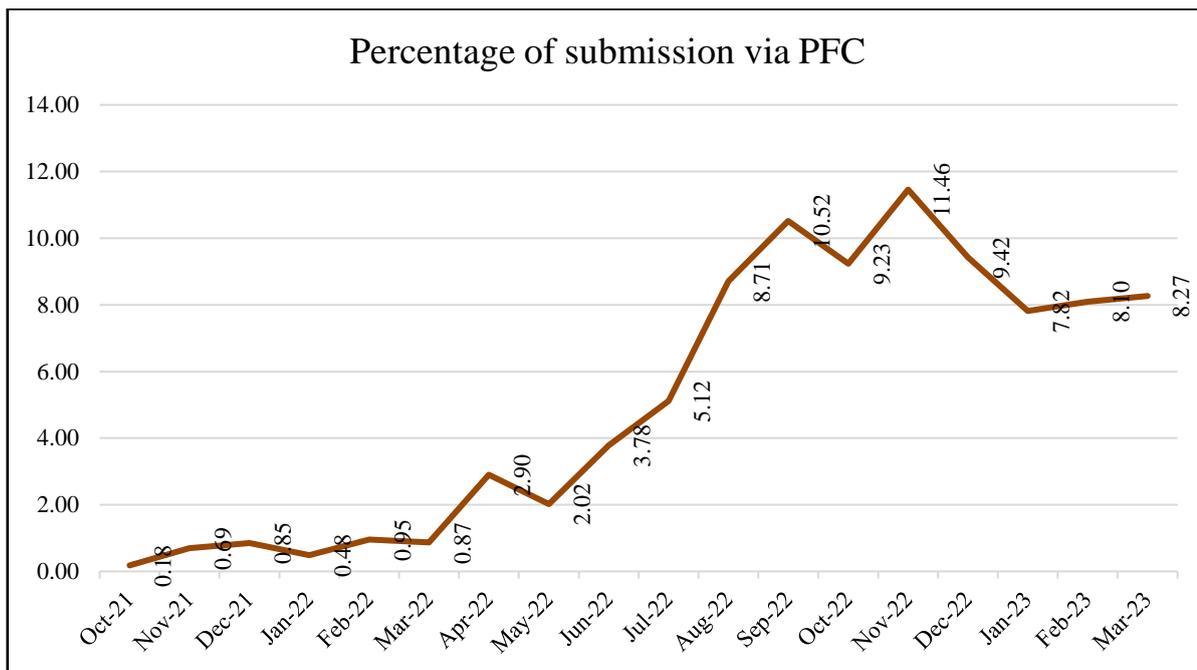

Table - 113: Districtwise Service Delivery Timeline Compliance

Districts	Percentage of Citizens Receiving Services in Stipulated Time
<b>Districts with low percentage of citizens getting services on stipulated time</b>	
Karbi Anglong	68%
Karimganj	69%
Udalguri	79%
Hailakandi	79%
Kamrup	81%
Dhubri	81%
<b>Districts with high percentage of citizens getting services on stipulated time</b>	
Bongaigaon	97%
Chirang	98%
Tamulpur	100%
Bajali	100%
West Karbi Anglong	100%

## E. Multi-Channel Service Access through PFC/ CSCs

Analytical evidence indicates that over the years, access to local PFC / CSCs have increased percentage of availing public services through PFC/CSCs.

Although no. of applications through PFC has increased over the years, still the percentage of applications through PFC is much lower (~ 8.27% as on March 2023). Detailed interviews with stakeholders were carried out to understand the different challenges being faced at the PFCs during service delivery. The key issues identified at different districts/ block levels are as follows -

- **Institutional Challenges:**

## Assam Citizen-Centric Service Delivery Project

- Shortage of Staff
  - Low coordination between service delivery team and RTPS portal team
  - Limited coordination with district administration officers
  - Limited awareness generation
  - Active involvement required from DeGS team, BDO, Gaon Panchayat Secretary which is currently limited
  - Comprehensive training to District Authorities / Approving officials/Representatives of concerned departments at respective districts is currently lacking
  - PFCs established in DC Office and Sub-Registrar Office witness good response, while the ones in Block offices have comparatively lower number of responses
  - Panchayat level awareness and involvement are low
  - DTP computer centres and CSCs are located in close proximity to the PFCs which offer similar services at lower cost resulting in low footfall at the PFCs
  - Provision of comprehensive training to District Authorities / Approving officials/ Dealing agents of concern department and PFC operators at respective districts is lacking
  - Gram Sevaks and Gau Burhas/ Village Heads are currently not fully utilized for sensitizing the citizens of their villages

- **Infrastructure Related Challenges:**

- Unavailability of electricity as well as solar alternatives at some of the PFC sites
- Internet connectivity issues are prominent across the PFC sites
- Toilet & Drinking water facilities at PFCs are inadequate in some cases
- Insufficient seating areas in some of the PFCs
- First Aid kits and Fire extinguishers are unavailable in some of the PFCs
- Ramps for specially-abled citizens are not available across the PFCs

- **Service Related Challenges:**

- Limited information and aware-ness among the citizens regarding the services available in the PFC's
- Dependency of the PFC operators on the government departments for providing the final certificates resulting in delay in delivery of services
- Presence of other prominent e-portal vendors in some areas results in decreased visibility of PFCs as citizens prefer to avail services from these portal vendors
- As offline submissions are still entertained citizens are yet to adopt the online services through RTPS portal at the PFCs
- Service cost through the PFCs is more compared to other vendors as reported by few citizens. Many private computer centres or shops are providing services with citizen login ID which decrease footfall in PFC
- PFCs operating from circle offices are better responsive compared to the ones located at municipal board offices and block offices
- PFC operators haven't received debit/credit cards for making payment against application of services
- Most of the required RTPS services are not present at the PFCs as reported in few areas

- **RTPS Portal Related Challenges:**

- Challenges are being faced by PFC operators during mapping of revenue districts in the RTPS portal for some of the services resulting in lower number of applications
- PFC operators face intermittent challenges with the payment gateway because of which application submission takes long time
- PFC Operators face OTP related issue in RTPS portal

## F. Policy Reform Measures in improving Service Delivery

- **Mission Basundhara 2.0:** Mission Basundhara 2.0 is a mission mode project for purification of land records by incorporation of additional services to accelerate cases of settlement of land and conferring ownership rights w.e.f. November 14, 2022 in the State of Assam excluding the sixth schedule areas and areas where re-settlement is ongoing. The details of the services to be covered under Mission Basundhara 2.0 (MB 2.0) are delineated below:

- i. Settlement of Annual Patta (AP) land transferred from original AP holder
- ii. Settlement of hereditary land of Tribal communities
- iii. Settlement of land for indigenous special cultivators
- iv. Conferring ownership rights to Occupancy Tenants
- v. Settlement of Village Grazing Reserve (VGR) and Professional Grazing Reserve (PGR) Land for individuals
- vi. Settlement of government 'Khas' and 'Ceiling Surplus' Land
- vii. Extension of Composite land transfer service (Auto – mutation) throughout Assam
- viii. Online Collection of Land Revenue

- **Settlement of Annual Patta (AP) land transferred from original AP holder:** Annual Patta (AP) is granted as per the provisions of Section 11 of ALRR, 1886. An Annual Patta Holder is not a Land Holder but a Settlement Holder to whom settlement of land is offered only for one year. Except for hereditary right, the AP Holder has no transferable right over the AP Land. If any AP land is transferred in violation of the Rules, then a proceeding for non-renewal of the Annual Patta shall be initiated and the Annual Patta will be cancelled making the land a Government land. The above proceeding can be initiated either on receipt of information or suo-moto. Once the AP land is made government, the land will be disposed or settled with eligible occupiers in the manner prescribed in Land Policy, 2019. The service was made available under ARTPS from Nov, 2022
- **Settlement of Hereditary Land of Tribal Communities:** The ALRR, 1886 was amended in 1947 by adding a new chapter titled Chapter-X which brought about significant changes in regulating land rights in the Protected Belts & Blocks. The settlement of waste land for ordinary cultivation in tribal belt or block is according to the State policy and procedure while considering the bonafide needs of the permanently residing notified classes as per Chapter -X, ALRR, 1886. Outside the tribal belt or block, the settlement of land is governed by the Land Policy, 2019 with respect to the maximum limit of 7 bighas for ordinary cultivation and 1 bigha for homestead purpose in rural areas. For settlement of hereditary land of tribal communities in excess of the abovementioned limits up to 50 bighas, suitable changes in Land Policy, 2019 brought in as one time measure with sunset clause for the implementation period of Mission Basundhara 2.0.

- **Settlement of lands for Indigenous special cultivators:** Settlement of government land under this service to small tea growers/ other special cultivators viz. rubber, coffee has been brought under ARTPS since Nov 2022. As per Land Policy 2019, small growers of special cultivation will be provided with 30 bighas of land and in case of additional settlement of land, it should not exceed 75 bighas in aggregate after realization of premium. Application for the same may be submitted online by self or through PFC / CSCs.
- **Conferring Ownership rights to occupancy Tenants:** The Assam (Temporary Settled Areas) Tenancy Act, 1971 was passed to provide ownership rights to tenants who cultivate or holds lands of another person. There are many tenants yet to get the ownership right in spite of there being no dispute over those lands. Therefore, the service of conferring ownership rights to occupancy tenants will include those undisputed cases for providing ownership right. This facility has been brought into ARTPS in Nov, 2022 to provide the delivery of Public Service to the eligible citizens within stipulated time limit. Application for the service may be submitted online or through PFC / CSCs.
- **Settlement of PGR VGR Land for Individuals:** With a view to provide the delivery of Public Service to the eligible citizens within stipulated time limit, the service “Settlement of PGR VGR Land for Individuals” of the Revenue & DM Department has been notified in Nov 2022 under Section 4 of the Assam RTPS Act, 2012. Application for the service may be submitted online or through PFC / CSCs.
- **Settlement of Govt. Khas & Ceiling Surplus Land:** The government Khas and Ceiling Surplus land in occupation of indigenous landless people can be settled in accordance with the Land Policy 2019, Section 1 ( Sub section 1.1 to 1.10), Section 3 (Sub section 3.1 to 3.4). This service was made available under ARTPS from Nov 2022. Application for the service may be submitted online or through PFC / CSCs.
- **Composite Land Sale Transfer:** An important service provided by the Deputy Commissioner regarding Land Sale permission is “NoC for Transfer of Immovable Property” under section 21(A) of Indian Registration Act, 1908. However once NoC is issued by the O/o the Deputy Commissioner, applicant has to apply for Registration of the scheduled land in Sub Registrar Office following separate applications for Mutation, Partition, Jamabandi etc. in the concerned Circle Office. “Composite Land Sale Transfer” intends for issuing No Objection Certificate for the Transfer of Immovable property at O/o Deputy Commissioner followed by Registration of Property at the Sub Registrar Office followed by auto mutation and auto partition at the Circle Offices. Applicant has to select whether he/she opted for Composite Land Sale Transfer Service with “Auto Mutation” or “Auto Mutation along with Partition” at the time of submitting the Application form. This service has been notified under Assam RTPS Act, 2012 in May 2022.
- **E-Khazana:** Payment for Land Revenue amount (Khazana) on yearly basis by Pattadar / Co-pattadar for their respective Dags of scheduled land has been notified under ARTPS since Nov 2022.

## G. Challenges for Performance Efficiency in Service Delivery & Recommendations

Although the service delivery has improved a lot after the implementation of RTPS, still a few challenges are observed which affects the service delivery.

- i) **Reliance on Middle-Man:** There is a significant reliance on middlemen for service delivery which points to the creation of an additional layer which sits between the citizens and the Government service delivery layer. This points to a weakness in the simplification of the processes as the system is currently not yet user friendly enough to override the reliance on the middlemen layer.

**Recommendations:** To strengthen RTPS implementation and curtail the profiteering by middlemen, it is recommended to create a system that encourages citizens to be self-reliant when filling up the applications. This may be architected by the following interventions:

- Regular camps at village centers and urban agglomerations - There may be demonstrations of how to fill up application forms for commonly applied services. Each line department may independently conduct camps for their own services and ARIAS may act as a coordination layer.
- Individuals like Village Level Entrepreneurs may be incentivized to guide citizens in filling up applications. An official medium of facilitators for a nominal fee which is regulated will be significant in combating the growth of middlemen.
- School children are often technically competent and more conversant with information technology tools when compared to their parents. There may be programs in schools explaining the services under ACCSDP and application process and children may work in tandem with their parents to access the portal.
- Information dissemination regarding the official service fees (as applicable) and information discouraging the involvement of middlemen can be made part of the IEC campaign.

- ii) **Training Needs:** Although multiple trainings have been conducted for office staffs on aspects pertaining to ARTPS, use of IT systems, service delivery, management etc., many of the staffs are of the opinion that more trainings are required.

**Recommendations:** This includes –

- Creation of demonstration videos for key aspects of the portal which may be shared with new recruits
- Popularization of a dummy portal that PFC operators can use to practice application submissions
- Recognition to top performing operators
- Promotion of peer learning

- Inclusion of outcome-based training programs and leverage models like the Kirkpatrick model of training evaluation. The Kirkpatrick Model, also known as Kirkpatrick's four level of training evaluation, is a key tool for evaluating the efficacy of training and consists of four levels – reaction, learning, behavior and results.

iii) **Manual Processes:** There are still manual processes which are yet to be automated. Business Process Reengineering has been done for 155 ARTPS notified services under consideration across 23 Depts / Directorates / Councils.

**Recommendations:** Completing business process reengineering activities for all services will help in streamlining processing by facilitating value adding steps while curtailing value destroying steps. It is necessary to leverage the BPR Executives attached to each department for completing the BPR activities. The following actions are recommended in this regard:

- The reengineered processes have to be reevaluated to integrate regular updates to citizens. If there is a regular flow of information to citizens (preferably by SMS, which can be accessed even by feature phones / non smart phones) then the need for repeat visits (expressed by citizens) will be mitigated. The feature of SMS alert is a process level change that has to be carried out by the developer and approved by the concerned department.

iv) **Lack of Citizen Awareness:** While overall awareness level of ARTPS is high, the same has not been understood at a granular level. There is a superficial understanding of the project at a high level but citizens are yet to imbibe the finer aspects of the act including what it entails for the citizens.

## Assam Citizen Centric Service Delivery Project

**Recommendations:** The project has leveraged conventional as well as digital channels for building awareness about the project. Study of the marketing collaterals created by ARIAS shows that multiple aspects of the project have indeed been covered but the same have yet to be imbibed by the citizens. Activities that may be carried out to boost granular awareness include:

- Physical hoardings of specific aspects of ARTPS. The Instagram page of ACCSDP ([https://www.instagram.com/accsdp\\_\\_assam/?hl=en](https://www.instagram.com/accsdp__assam/?hl=en)) has information about various aspects of ARTPS which may be utilized in print format to boost awareness in high footfall Government offices.
- Consent may be taken from applicants and thereafter messages may be sent on WhatsApp to increase awareness of specific aspects.
- A strong campaign with a focused outreach strategy to increase need-based awareness and service-wise knowledge dissemination
- Support and information dissemination on call center support for application submission, processing, document requirement and rights over service delivery with an intent to eliminate involvement of middlemen
- Information dissemination on the cost-related queries for services via online portal

v) **High Cost of Services:** The cost borne by applicants include the official cost of services (if

any) as well as logistic costs of travel, printing etc. In addition to this, limited awareness on various steps of application submission and processing has led to involvement of middlemen. The costs borne by applicants to pay the middlemen are often higher than service cost, as understood from endline survey conducted by ARIAS. The average cost paid to middlemen by citizens for application submission, and service delivery is around Rs 243 as identified during endline survey.

**Recommendations:** The problem needs to be addressed through a comprehensive strategy to increase awareness to applicants and increase interventions to support the applicants to fill application forms, gather documents and submit, eliminating the involvement of middlemen. The strategies to be considered for this issue are:

- Adequate information on service-wise costs and disseminate information against involving third-party agents and middlemen
- Provide comprehensive information on support provided to apply, gather required documentations for the service application, processes and options to apply and submit and also the methods to update its processing till the service delivery.
- Increase options of providing support to applicants in addition to the RTPS call center.

## Assam Citizen Centric Service Delivery Project

## H. Summarized view on Services (Reflective Analysis)

### Analysis on the Performance Deficiency

In analyzing the insufficient rate of disposal of services and the quality of services provided to citizens, we must consider various factors and contexts. Different causes are to be highlighted.

- The first and most important factor is that the department does not prioritize timely disposal and there is no official assigned particularly for service delivery. There is also no high-level monitoring in the current scenario.
- Taking into consideration the above-stated factor a detailed analyzed report is prepared for the revenue department. Report is herewith attached with this document as *Annexure I (A)*.

### Steps taken into consideration for improving pendency rate of Service

#### Delivery:

- Several manual processes such as Jamabandi, Trade License etc. have been automated.
- The involvement of District SNAs has increased, with ongoing monitoring and communication with the DPS.
- Official letters are sent periodically to the Deputy Commissioner for the purpose of disposing of applications.
- DITEC managers from DC office are also sensitized to take up the disposal at service delivery offices.
- Backend Process training has been completed for 2674 Officials.

## Assam Citizen Centric Service Delivery Project

#### Steps taken at Ministerial Level:

- Hon'ble CM conducted a review with all DCs on 15<sup>th</sup>, 16<sup>th</sup>, and 17<sup>th</sup> May'2023 highlighting the pendency issues of all services.

Based on the information presented, it is evident that all aspects concerning service disposal have been carefully considered, and the appropriate measures have been implemented. Consequently, there have been alterations in the frequency of service disposal.

### Reason for Less Foot Fall in PFCs

After discussion with the PFC vendors, who have reviewed the PFC Operations and less footfall in majority of PFC, below are the major observations:

- (i) Lack of awareness amongst citizens about RTPS Services and PFC Centers,
- (ii) Traditionally Citizens visit the Govt. offices, wherein middle men are involved,
- (iii) Many DTP Centers are also applying on behalf the citizens and therefore citizens do not visit the PFC,
- (iv) PFCs in Council Districts are in remote location and footfall are less in those PFCs based on the Services available at the RTPS Portal,
- (v) But with new services being added in the portal, the share of PFC footfall is gradually increasing.

**A detail analysis regarding footfalls in PFCs are presented in *Annexure II(B)***

- Service wise Highest Count in PFCs
- District wise Weekly Maximum Applications in PFCs,
- District wise Highest Applications in PFCs
- Month wise PFC share w.r.t. total Sewa Setu Applications.

## Assam Citizen Centric Service Delivery Project

## I. Annexures

### Annexure 1: List of Services with Timeline (Department wise)

Table - I (1): List of Services of Revenue and Disaster Management Department

Sl. No.	Name of Service	Timeline (in Days)
1	Settlement of khas and ceiling surplus land	300
2	Mutation by right of inheritance	60
3	Issuance of Certified Copy of Jamabandi or Records of Right	5
4	Mutation after deed registration	60
5	Application for Non encumbrance Certificate	15
6	Settlement of AP transferred land from original AP holder	300
7	Partition for undisputed cases	15
8	No Objection Certificate for Transfer of Immovable Property	30
9	Settlement of PGR VGR LAND	300
10	Office Mutation of Property Ownership	60
11	Allotment Certificate to Periodic Patta	90
12	Application for Office Partition of Land	90
13	Application for Marriage Registration	90
14	Composite Land Sale Transfer	45
15	Conversion of Land from Annual Patta to Periodic Patta	90
16	Name Correction	7
17	Certified Copy of Registered Deed	10
18	Settlement of Occupancy Tenant	300
19	Striking out of name from patta	7
20	Application for Income Certificate	7
21	Settlement of hereditary land of tribal communities	300
22	e-Khajana	300
23	Reclassification of agricultural land to non-agricultural land less than 1 bigha	30
24	Settlement of special cultivators	300
25	Area Correction	7
26	Deed/Marriage Appointment	10
27	NOC for Re Classification	31
28	Issuance of Bakijai Clearance Certificate	5
29	Mobile Number Updation	7
30	Issuance of Certified Copy of Mutation Order	5
31	NOC for Re Classification cum transfer	31

Table - I (2): List of Services of Commissionerate of Transport

Sl. No.	Name of Service	Timeline (in Days)
1	Learner License for Transport/Non-Transport	15
2	Driving License for Transport/Non-Transport	75
3	Duplicate Registration Certificate for Transport/ Non-transport Vehicle	7
4	Ownership Transfer for Non-Transport/Transport Vehicle	15
5	Renewal of Driving License for Transport/Non-Transport	30
6	Certificate of Fitness of Transport Vehicles	7
7	Hypothecation Termination	15
8	Address change in RC	15
9	Hypothecation Addition	15
10	Duplicate Driving License for Non-Transport/Transport	15
11	No Objection Certificate for Transfer of Record of Registration to Other Registering Authority	15

Table - I (3): List of Services of Department of Skill, Employment and Entrepreneurship

Sl. No.	Name of Service	Timeline (in Days)
1	Registration of employment seeker in Employment Exchange for AADHAAR Based	1
2	Re-registration of employment seeker in Employment Exchange for AADHAAR Based	1
3	Registration of employment seeker in Employment Exchange	3
4	Re-registration of employment seeker in Employment Exchange	3

Table - I (4): List of Services of Department of Industries and Commerce

Sl. No.	Name of Service	Timeline (in Days)
1	Common Application Form	1
2	Add Unit of Common Application Form	1
3	Application for Shed Allotment in various Industrial Estates	30
4	Application for Land Allotment in various Industrial Estates	30

Table - I (5): List of Services of Department of Labour and Welfare

Sl. No.	Name of Service	Timeline (in Days)
1	Registration of Establishment under the Assam Shops & Establishment Act 1971 in FORM O Under Section 36 and RULE 45 of the Assam Rules	15
2	License of a Contractor(s) in Form IV under Section 12 of the Contract Labour (R & A) Act, 1970 and Rule 21 (1) of the Assam Rules	15
3	Registration in (Form I) under Rule 4 of the Assam Motor Transport Workers Rules, 1962	15
4	Registration of Establishment in Form I under Section 7 of the Buildings & Other Construction Workers (R.E & C.S) act, 1996 and Rule 23 (1) of the Assam Rules, 2007	15
5	Registration of Establishment as the Principal Employer in Form I under Contract Labour Regulation and Abolition Act 1970 and Rule 17 1 of the Assam Rules 1971	15
6	Auto Renewal of the Certificate of Registration of Establishment in Form O under Section 36 of the Assam Shops & Establishment Act, 1971 and Rule 49 of the Assam Rules	1
7	Registration of Plantations in Form 13 under Section 2-A of the Plantations labour Rules 1956	15
8	Auto Renewal of the Certificate of Registration in (Form I) under Rule 8 of the Assam Motor Transport Workers Rules, 1962	1
9	Auto Renewal of License in Form VII under Rule 29 (2) of the Contract Labour (R & A) Rules, 1971	1

Table - I (6): List of Services of Housing and Urban Affairs Department

Sl. No.	Name of Service	Timeline (in Days)
1	Application for Trade License	1
2	Property Assessment	1
3	Property Tax Payment	1

Table - I (7): List of Services of General Administration Department

Sl. No.	Name of Service	Timeline (in Days)
1	Issuance of Senior Citizens Certificate	20
2	Issuance of Next of Kin Certificate	15

Table - I (8): List of Services of Department of Health and Family Welfare

Sl. No.	Name of Service	Timeline (in Days)
1	Permission for Delayed Birth Registration	10
2	Permission for Delayed Death Registration	10

Table - I (9): List of Services of Guwahati Development Department

Sl. No.	Name of Service	Timeline (in Days)
1	Cess Pool Service	20
2	Building Permission upto Ground+2 storied under Mukhya Mantrir Sohoj Griha Nirman Achoni	30
3	Trade License related to Veterinary	15
4	Registration of Dogs	2
5	Holding Mutation Service	30
6	Issuance of permission to put up hoarding	30
7	Animal Tax Payment under GMC Act 1971	2
8	Assessment of Holding	15
9	Renewal of trade license related to veterinary	15

## Assam Citizen Centre Service Delivery Project

Table - I (10): List of Services of Home and Political Department

Sl. No.	Name of Service	Timeline (in Days)
1	Application for Renewal of Fire NOC under Assam Fire Service Rule 1989 Form No XII	14
2	Fire NOC for one storied / multi-storied / high rise building under Assam Fire Service Rule 1989 Form No I	21
3	Application for Permanent Residence Certificate for Higher Education	14
4	Application for Fire NOC in respect of fire safety measures in storage and handling of petroleum products / industry Class A B & C under Assam Fire Service Rule 1989 Form No VII	21
5	Fire NOC in respect of fire safety measures in transport godowns and other godowns under Assam Fire Service Rule 1989 Form No III	21
6	Fire NOC in respect of fire safety measures in Function Halls / Vivah Bhavan / Building below 15 mtrs under Assam Fire Service Rule 1989 Form No V	21
7	Fire NOC for storage and handling of LPG / CNG/ Oxygen / Hydrogen / Methane/Propane / Butane / Chlorine / Ammonia etc. under Assam Fire Service Rule 1989 Form No II	21
8	Fire NOC in respect of fire safety measures in the storage and handling of pharmaceutical products chemical industries / storage of solvents etc. under Assam Fire Service Rule 1989 - Form No X	21
9	Application for Fire NOC in respect of fire safety measures in erecting temporary	21

	structures / circus / movable theatre / exhibitions under Assam Fire Service Rule 1989, Form No VI	
10	Application for Fire NOC in respect of fire safety measures in the storage and handling of explosives under Assam Fire Service Rule 1989 Form No IX	21
11	Fire NOC in respect of fire safety measures in the storage and handling of chemicals under Assam Fire Service Rule 1989 Form No VIII	21
12	Fire NOC in respect of fire safety measures in Cinema Theatres / Multiplex etc under Assam Fire Service Rule 1989 Form No IV	21

**\*\*\*Note: N/A labels indicate the applications coming from departments and autonomous bodies that have been depicted in RTPS MIS. Also, some services are Re-directional which are not integrated with RTPS MIS dashboard; hence such services MIS are not available at RTPS portal. This is to be noted that in case of few services such as "Issuance of Caste Certificate", Office Names are not available in RTPS MIS.**
