

Steps to apply First Appeal

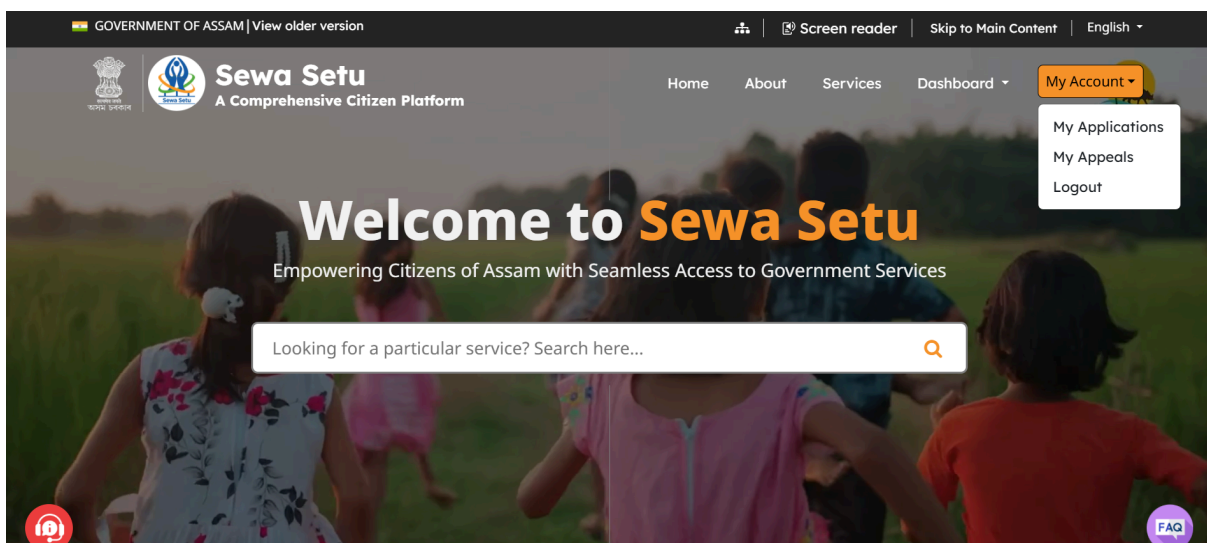

1. To begin, the applicant needs to log in to the SewaSetu portal using their registered mobile number. If the applicant is not already registered on SewaSetu via ePramaan, they must first complete the registration process through ePramaan. Only then can the applicant proceed to make an appeal.
2. The image below shows the home page of the Sewa Setu portal. As you scroll down the page, the Appeal option becomes visible. Click on the 'Start Your Appeal Now' option to proceed with submitting an appeal.

(ePramaan registration page is as shown below.)

3. After login in the home page, under **MY ACCOUNT** option there is a option for **MY APPEALS**

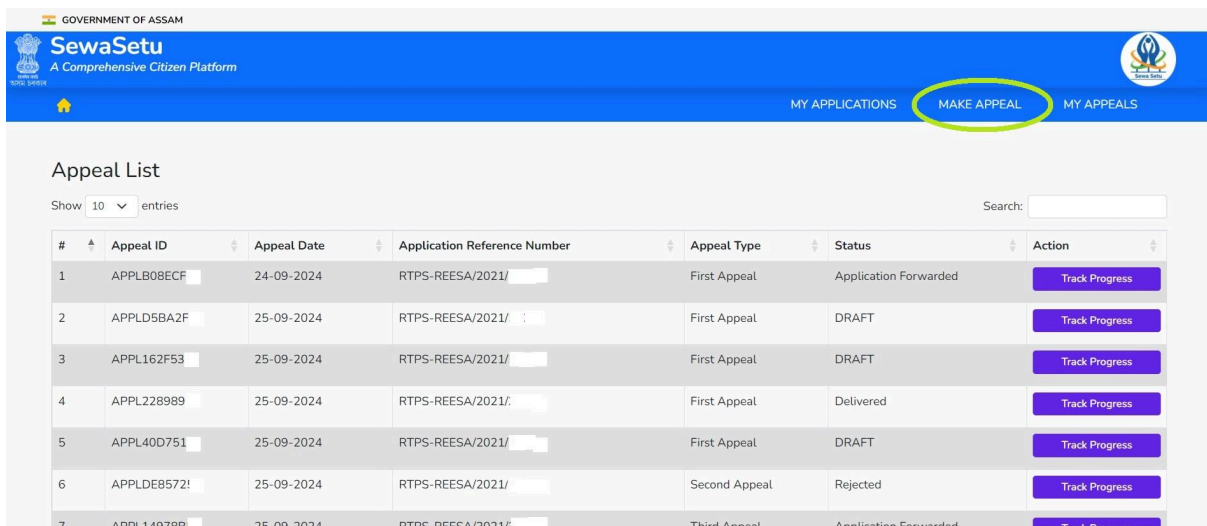

4. Applicant needs to click on the **MY APPEALS** button

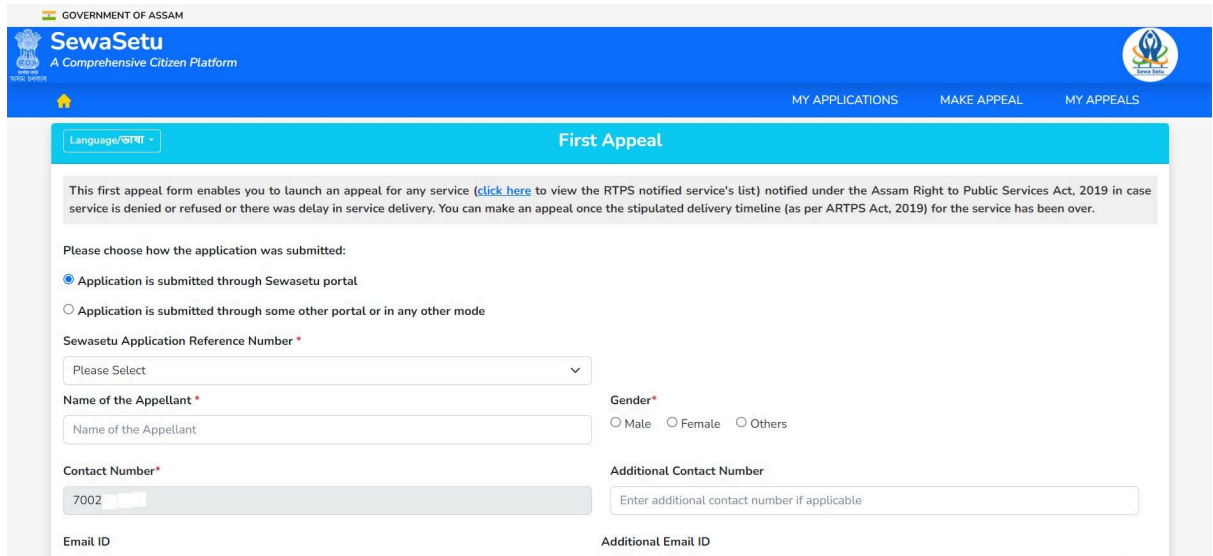

5. In the My appeal page, there will be 3 option as **My Applications**, **Make appeal** and **My Appeals**

6. To make a new appeal, applicant need to click on the **MAKE APPEAL** option

7. Application needs to fillup the form to submit the appeal

8. If the application was not applied from SEWASETU, applicants need to select the option as - **Application is submitted through some other portal or in any other mode.**

9. Applicant need to some details like the **Reference number**, **service name**(service applied for), **submission office location**, **application submission date**, **ground of appeal**

10. After filling up all the details, click on the SUBMIT button then a preview page will appear, if all the details are found correct then click on SUBMIT button.

11. After submitting an acknowledgement will be generated where all the details will be there along with the **Appeal ID**

12. Applicants can also track the appeal made by them by clicking on the **MY APPEALS** button.
